I. About the National Junior Honor Society

The NJHS at Memorial Junior High School is an organization that promotes appropriate recognition for its students who reflect outstanding accomplishments in the areas of scholarship, leadership, character, service, and citizenship.

Students are eligible to apply for membership in NJHS in seventh and eighth grade provided they have a cumulative Grade Point Average (GPA) of at least a 3.4. In addition to academic excellence, selection for membership is based on exhibited leadership, willing to use talents and skills for the improvement of society. Selection for membership is by a faculty committee and is based on their assessments of the candidates' scholarship, leadership, character, service, and citizenship. Additionally, all teachers at MJHS are given the opportunity to provide feedback on prospective members. Each prospective candidate's conduct and behavior are also assessed. New members are inducted during an annual ceremony, usually held in early May.

II. The Bylaws of the Magnus Meritus Chapter of the National Junior Honor Society

Article I: Name

The name of this organization shall be the Magnus Meritus Chapter of the National Junior Honor Society in Lansing School District 158.

Article II: Purpose

The purpose of this organization is to create enthusiasm for scholarship, to stimulate a desire to provide service to promote leadership, and to develop character in the students of Memorial Junior High School.

Article III: Membership

The Faculty Committee will determine the selection for membership. Selection criteria will be outlined at a mandatory meeting for all applicants.

To be eligible for membership consideration, candidates must be in the seventh or eighth grade. Candidates must also have been in attendance at Memorial Junior High School for at least one semester. Students must have at least a 3.4 for two out of three grading periods. Additionally, potential members must meet high standards of leadership, character, service and citizenship. The Faculty Committee will assess applications from all candidates for membership. A student who is a member in good standing of the NJHS in a previous school is automatically a member of the Memorial Junior High School Chapter upon enrollment at Memorial Junior High School with documentation to support his/her NJHS status (i.e., a letter from former principal and/or NJHS Advisor, and NJHS certificate or NJHS card).

Article IV: Officers

The officers shall include at least a president, vice president, secretary, and treasurer. Officers for the following year shall be nominated at a meeting of current seventh grade members of the NJHS. A simple majority of the votes cast shall be necessary to elect an officer of the chapter. Only current seventh grade members of the NJHS shall vote in the election of officers who will serve during the following year. The election will be conducted by secret ballot with each eligible member casting one vote.

The NJHS President shall preside over meeting of the chapter and delegate responsibilities of other officers with the assistance of the NJHS sponsors as appropriate.

The NJHS Vice President shall fill the role of the NJHS President in his/her absence. He/she is also responsible for the Annual Food Drive.

The NJHS Secretary shall keep the minutes of the meetings, and records of business, and record service hours with the assistance of the NJHS sponsors and documentation for all members in an efficient and accurate manner.

The NJHS Treasurer shall keep accurate financial records in conjunction with any fund raising done. This will include all receipts and disbursements of the chapter.

Article V: Dues

Dues are a significant source of income for NJHS. It is imperative that each member meets this obligation on time in order for NJHS to be able to pay for membership cards, decorations and refreshments for the induction ceremony as well as incidental expenses. Dues are \$5.00 per year for all members. New members will be required to pay these dues prior to the membership induction ceremony. Continuing members are required to pay their dues for the new school year by the October meeting. Failure to pay dues may result in cancellation of membership and dismissal from the NJHS.

Article VI: Meetings

Meetings shall be scheduled monthly. Members are required to attend all meetings. If an emergency arises and a member cannot attend a meeting, the member is required to inform the chapter advisor and provide a written excuse. Missing more than one meeting constitutes grounds for probation. Extenuating circumstances need to be addressed to the chapter advisor. Members are responsible for all information and policies presented at the meeting whether or not they were in attendance.

VI. Discipline Policy – Probation and Dismissal

Any member who falls below the standards that were the basis of selection (scholarship, leadership, character, service, and citizenship) shall be promptly warned in writing and placed on probation by the MJHS NJHS Chapter Advisor and given a reasonable amount of time to correct the deficiency. In the case of flagrant violation of school rules (e.g., cheating) or civil laws a member does not necessarily have to be warned and may be brought up immediately for dismissal from NJHS. A student may be allowed only one probationary period in his/her membership period, and a student may not be reconsidered for membership in the NJHS after being dismissed.

In general, there are usually three causes for being placed on probation: falling below a 3.4 GPA, not completing required service hours; or not paying annual dues.

Falling below 3.4 GPA

A NJHS member whose GPA is below the requirements for eligibility (falls below a 3.4) shall be warned in writing by the NJHS Advisor. If the GPA is below a 3.4 after the next grading period, the NJHS member will be dropped from membership and notified in writing of his/her dismissal.

Not Completing Required Service Hours

At the start of each academic year, NJHS members who have not fulfilled their service hour requirements from the previous year will be notified in writing by the NJHS Advisor that they are on probation. Members will be given one month from the date of probationary notice to complete the required service hours. Failure to complete the service hours may result in dismissal from MJHS NJHS.

Not Paying Annual Dues

Dues are \$5.00 per year for all members. Dues are due in by the October NJHS meeting. Members who fail to pay their dues by the October meeting will be notified in writing by the NJHS Advisor that they are on probation. Member will be given one month from the date of probationary notice to pay the annual dues. Failure to pay dues may result in dismissal. New members will be required to pay these annual dues prior to the membership induction.
