Please compose a short essay in which you discuss your reasons for wanting to join NJHS and your special strengths in the areas of leadership, character, service, and citizenship that make you a worthwhile candidate for membership/ The essay is to be no longer than the space provided. **It must be either typed or computer-generated and attached to this page.** Applicants will not be considered for membership if this essay is hand-written or not attached in the space below. **Do not staple the essay to this form.**

A student who is initiated into the National Junior Honor Society **will be dismissed** from the Honor Society if any of the following occur:

1. A member receives two detentions, two in-school suspensions, or is suspended out of school during the school year.
2. A member receives a F in any subject.
3. A member is placed on academic probation for more than one grading period. Academic probation occurs when the student's grade point average falls below 3.40 for any grading period.
4. A member violates any of the school rules or displays citizenship or conduct which is not in keeping with the standards of the National Junior Honor Society such as cheating, disrespect to persons in authority, etc.. This is up to the discretion of the advisors and administrators.

A student who has been initiated into the National Junior Honor Society and has been dismissed for any reason, academic or disciplinary, will return his or her membership card to the advisor immediately.

I understand that completion of this form does not guarantee membership, but that I am being considered for membership in the Magnus Meritus Chapter of the National Junior Honor Society. I also understand that major consideration is given to academic and citizenship (conduct) qualities during the selection process. I will accept the decision of the faculty committee charged with the responsibility of the selecting members as final.

If I am elected to membership, I agree to participate in National Junior Honor Society activities and to abide by the scholarship, leadership, character, service, and citizenship standards of the National Junior Honor Society (NJHS). My signature indicates I accept the role of active membership which includes attendance at meetings and volunteering my time for other NJHS programs and activities.
